a visit to the old world

Hungary – a land blessed with fruits, vegetables and herbs that draw their succulence from the soil and thermal hot springs of the Carpathian basin long known for being rich in minerals and trace elements found nowhere else on earth.

A country in Eastern Europe with a long history of using locally available ingredients in their healing treatments. Due to the soil, the somewhat dry climate, and abundance of sunshine, herbs and fruits grown in Hungary have high concentrations of active ingredients and aromatic agents. From these ingredients a woman named Ilike Molnar, lovingly known as “Aunt Ilike” (i-lee-ke) began creating organic skin care products since the late 50’s. She believed, as her grandmother the village herbalist taught her, that what we need to maintain health and beauty with resources that can be drawn from nature around us.

From this heritage come the professional products of ilike organic skin care from Szép Élet, made in small batches from organically grown and handpicked herbs, fruits and vegetables, containing the highest possible levels of organic active ingredients. For 60 years in practice and through extensive research these potent, natural ingredients have demonstrated their therapeutic and beautifying effects resulting in clear, balanced and glowing complexions.

celebrating 60 YEAR in 2018

Traditional Hungarian countryside

ilike organic skin care philosophy

Nature provides an abundance of solutions for our everyday needs – that was Aunt Ilike’s philosophy when she created these products and it is the philosophy of ilike organic skin care and Szép Élet. Our fruit, vegetable and herbal ingredients are formulated and processed in a unique way that maintains the vitality of the natural active ingredients. Because of this process you can immediately experience the rich, deep penetrating effects of our products, as well as their magnificent aromas and colors. We use the power of handmade pulps versus commercial extracts, because pulps retain the full concentration of the herbal ingredients in their natural form for better penetration. Every ilike product is full of vitamins, fruit acids, bioflavonoids and other antioxidants that treat, nourish and beautify the skin from the inside out. You will instantly notice the difference between ilike and other skin care lines.

- BDIH certified products
- ÖkoGarancia certified organic raw ingredients
- Sustainable farming and harvesting
- Ecological and social responsibility
- No animal testing
- No GMOs
- No use of synthetic preservatives, paraffin oil, vaseline, glycerine of animal origin, synthetic colourings, synthetic thickening agents or ethoxylated emulsifiers
- Gluten free, nut free products
- Suitable for vegetarian or vegan lifestyles

complete line of specialized skin care products

The extensive line of ilike organic skin care products addresses a variety of skin types, conditions and needs. Whether you are looking for a solution for sun damage, severe dryness, sensitivity, premature aging, wrinkles, acne, rosacea or simply want to treat your skin to an organic beautifying experience, choose ilike. Your aesthetician can help you select the products ideally suited to your skin including our Grape Stem Cell Solutions™ and Hyaluronic Time Erase Complex™ lines.

Experience something new by experiencing something ages old – a natural, organic skin care solution created for professionals with high performance results.
What many do not realize is that the skin is the body’s largest organ, and nutrient absorption through the skin is between 60-100%. (Think of your skin as a sponge!) We often take for granted the amazing powers of our skin to protect us while enduring the elements. But it is important that we care for our skin just as it cares for us.

3 step daily skin care regimen
- twice per day, a.m. and p.m.

To maintain the health and vitality of your skin follow our easy 3 step daily regimen:

step 1: cleansing
step 2: toning
step 3: vitamin supplement/moisturizing

5 step weekly skin care regimen
- once or twice per week

Supplement your daily regimen with exfoliator and mask:

step 1: cleansing
step 2: toning
step 3: exfoliating
step 4: treating
step 5: vitamin supplement/moisturizing

cleansing

Cleansers remove makeup and environmental impurities from the surface of the skin. Cleansing milks from ilike organic skin care not only clean your skin but also hydrate, revitalize and invigorate leaving a radiant, silky and healthy complexion. The cleansing milks also double as eye makeup removers.

Directions: Apply a small amount of cleansing milk suited to your skin type over entire face and neck area and massage it in gently for 30-60 seconds moving your fingertips in circular motions, then wipe off with damp face towel or cotton pad.

Exfoliating washes from ilike organic skin care soften and lightly exfoliate, which remove dead skin cells, which enables the skin to self-purify and allows more effective absorption of other skin care products. These cleansing concentrates provide a gentle and convenient light daily exfoliation as part of a daily skin regimen and are especially effective for specific skin conditions.

Directions: Mix a small amount of exfoliating wash with water in hands. Apply and massage into skin with fingertips for 1-3 minutes in a circular motion covering the entire face and neck and avoiding the eye area. Remove completely with damp face towel. Use 1-2 times a day. Use also on the entire body as a shower gel, or to treat problem areas of the back, décolleté or scalp.
Toning

Toning refreshes the skin and removes excess impurities. Toning is also important to balance the natural pH of your skin and to infuse it with vitamins and minerals. Skin will be rejuvenated, pores will be evened for better moisture absorption. The ilike organic skin care toners contain organic herbs that not only balance but also revitalize the skin with vitamins and minerals.

Directions: To hydrate: simply spray toner to the skin several times a day. To cleanse: apply toner over entire cleansed skin surface with a cotton pad and leave on. Use twice a day after cleansing or mask or anytime your skin needs to be refreshed.

Exfoliating

Exfoliation brings vibrancy and smoothness to the skin. Regular exfoliation removes the build-up of the hard keratin layer, allows better absorption of other skin care products and makes skin clear and even. For mature skin, exfoliation helps remove dry flakes, revive fatigued skin and reduce fine lines.

Directions: Apply a thin layer of exfoliator to your skin after cleansing and leave on for 10-15 minutes for optimal results. Gently scrub off with a damp face towel or rub off with your fingertips.

Treating

Regular use of a facial mask improves the health and elasticity of skin and can be used to control dryness, oiliness, acne, rosacea or other skin conditions. Masks and special treatments from ilike organic skin care contain high amounts of vitamins and concentrated ingredients rich in nutrients such as stem cells, hyaluronic acid, bioflavonoids, polyphenols, fructose, pectins and phytoestrogens. Our masks are as varied and uniquely crafted as our moisturizers.

Directions: Apply to cleansed skin over entire face and neck area and leave on for 15-20 minutes for optimal results. Remove with a damp face towel. Use 1-2 times per week or as otherwise directed. Exfoliation increases the effect of masks.

Serums - Supplements Targeting Specific Skin Needs or Conditions

Serums and oil concentrates are nutrient supplements that Europeans have used for generations to address specific skin conditions or boost the vitamin level of the skin. Due to the high herbal active ingredient concentration, only a small amount is needed for the treatment of conditions such as acne, rosacea, imbalanced sebum production, fine lines and wrinkles or lack of elasticity. The liposome molecules of our serums aid the active ingredient absorption into the skin. For drier skin: Our herbal oils have very high levels of Vitamin E, so they not only protect and regenerate the skin, but also compensate the lipid film deficiency and decrease inflammation as well.

Directions: After cleansing and toning apply serum and massage in with circular motions on entire face and neck area avoiding the eyes. Apply moisturizer over serum. For oily skin: Apply serum as a cream substitute in the summer or under very humid weather conditions. For dryer skin: Use a couple drops of ilike herbal oils to enrich your moisturizer.

Moisturizing

Moisturizers hydrate and soften skin. Even oily skin needs a light moisturizer to maintain softness and suppleness, or prevent increased sebum production. Select from a range of ilike moisturizers created for specific skin types and conditions.

Whipped Moisturizers have fruits and herbs with an acidic pH maintaining the acidic environment, in which herbal ingredients can be activated effectively. These fine, light creams require only a small amount for use on specific conditions or for the maintenance of flawless skin.

Moisturizers are slightly richer with a pH level close to neutral.

Rich Moisturizers are created with high herbal oil content for the treatment of oil deficient skin.

Directions: Apply a thin layer of moisturizer over entire face and neck area after cleansing and toning skin. Enrich moisturizer with one of our oil concentrates to achieve an even more radiant complexion. Use it as a final step of your daily regime in the morning and the evening. Moisturizers and rich moisturizers might be used as night creams for most skin types. Rich moisturizers are suitable to reduce the appearance of fine lines or treat lack of elasticity and even prevent stretch marks (eg. during pregnancy).

Eye Treatments

It is never too early or too late to start caring for those fine lines. The sooner you start a preventative skin care regimen, the greater the result that can be achieved. Our unique herbal blends are designed to address the special needs of the delicate eye area.

Directions: Apply a small amount of cream or serum around your eyes with a gentle tapping motion against the wrinkle lines (do not pull the delicate skin). Use as a final step of your daily skin care regimen in the morning and the evening. Use the eye treatments twice daily.

Body Lotions and Body Oils

The skin of your body ages as well, and it deserves to be cared for just as your face does. You can find a solution for age spots or hyperpigmentation, even cellulite and other elasticity problems. Use one of our ilike organic skin care body lotions or body oils to firm, hydrate, nurture, soothe and revitalize your skin after every bath or shower.

Directions: Apply body lotion or body oil suited to your skin type to clean skin and massage it in. Use twice daily or after every shower or bath. Body oils can also be used for massages.
grape stem cell solutions™ cleansing milk
for aging and mature, dry and loose skin
Gentle cleansing milk with highly potent free radical neutralizing grape stem cells that removes makeup and impurities as it regenerates and protects skin cells while reducing the visible signs of aging for a youthful, radiant appearance.

Active Ingredients: Grapeseed Oil, Grape Pulp, Grape Stem Cells, Grape Skin, Orange Oil, Lemon Oil – OPCs (Oligomeric Proanthocyanidins), Polyphenols, Phytoestrogens, Kaempferol, Bioflavonoids, Resveratrol, Vitamins A, B, C, E and H, Carotene (Provitamin A), Tannins, Mineral Salts, Trace Elements.

lemon cleansing milk
for all skin types, including out-of-balance, problematic skins
Gentle soft texture cleansing milk with lemon derived antioxidants and herbal oils that removes makeup, eye makeup and impurities leaving skin naturally soft and clear.

rose petal cleansing milk
for dehydrated premature and sensitive skin
Mild cleansing milk that removes makeup and impurities while hydrating, soothing and leaving skin with rose aroma. Skin is left feeling calmed as pores are clarified and tightened.

Active Ingredients: Rose Petal, Corn Germ Oil, Beet, Rose Oil – Quercetin, Bioflavonoids, Tannins, Vitamins A, B, C and E, Minerals, Trace Elements.

sour cherry cleansing milk
for combination, youthful looking skin showing first signs of aging, or devitalized, dull, tired skin
A delicate blend of deliciously fragrant, antioxidant-rich sour cherries and blackthorn berries that gently remove dirt and impurities. This cleanser also doubles as makeup and eye makeup remover.

Active Ingredients: Sour Cherry, Blackthorn Berry, Corn Germ Oil – Polyphenols, Anthocyanins, Kaempferol Bioflavonoids, Vitamin A, B, C and E, Tannins, Bioflavonoids, Monoglycerides, Purified Water, Mineral Salts, Trace Elements.

ultra sensitive system cleansing milk
for all types of sensitivity (acne, rosacea, itching, burning skin, contact dermatitis etc), inflamed, irritated, reddened or hypoallergenic skin
Gentle and essential oil free cleansing milk for sensitive and hypoallergenic skin that removes makeup and impurities while leaving the skin silky soft.

Active Ingredients: Arnica, Rosalgy, Grapeseed Oil – Vitamin A, C, E and K, Bioflavonoids, Polyphenols, Resveratrol, OPCs (Oligomeric Proanthocyanidins), Catechins, Citic Acid, Fruit Acids, Proteolytic Enzymes, Peptides, Serines, Mineral Salts, Trace Elements.
**exfoliating washes**

**mineral exfoliating wash**

For oily, acne and sensitive skin prone to irritation and inflammation; for face, neckline, décolleté, back and chest

Deep cleanser that reduces irritation while gently removing excess build-up and impurities. Has a slight drying and antiseptic effect calming inflammation and redness.

Active ingredients: Ichthammol, Lavender Oil, Rosemary Oil — Lignans, Omega-3 and Omega-6 Fatty Acids, Sterols, Vitamin F.

**refreshing mint exfoliating wash**

For all skin types, especially for tired, anaemic, pale or sensitive skin; after hair removal; for face and body

Deep cleansing gel that softens, cools, soothes and refreshes all skin types while gently removing dead cells from skin surface.

Active ingredients: Roman Chamomile, Peppermint Oil, Lavender Oil, Eucalyptus Oil — Lignans, Bioflavonoids, Polyphenols, Vitamins A, B, C and E.

**peels**

**botanical AHA peel**

For normal to dry, devitalized, dehydrated skin — 5 minutes

Skin smoothening peel for devitalized, stressed or large pore skin that reduces signs of aging.

Active ingredients: Yarrow, Plantago — Vitamins A and C, Bioflavonoids, Polyphenols, Citric Acid, Fruit Acids, Protective Enzymes, Minerals, Trace Elements.

**yogurt power peel**

For normal to dry, dehydrated premature, mature skin and hyperpigmentation — 3-5 minutes

Intense peel that exfoliates, softens and refines all skin types while helping to even out the complexion (or soft chapped skin on heels and elbows).

Active ingredients: Casein, Lactic Acid, Carrot Oil, Rosemary Oil — Probiotics, Enzymes, Vitamins B, C and E.

**AHA fruit peel**

For all skin types, especially for oily to dehydrated, inflammation prone, devitalized skin — 15-20 minutes

Fruit acid peel that dissolves dead cells from the skin surface while vitalizing, detoxifying and revealing a new layer of skin, and improving the texture of all skin types. The ilike Hungarian Paprika Gel Treatment is recommended to be layered over this peel for a complete beautifying detox treatment.

**toners**

**grape stem cell solutions™ hydrating mist**

For aging and mature, normal to dry or loose skin

This hydrating and purifying toner made with highly potent free radical neutralizing grape stem cells is the ideal complement to a daily facial cleansing routine. It protects the natural radiance of the skin with active botanicals that reduce the visible signs of aging as it increases collagen synthesis.

Active ingredients: Grape Poly, Grape Stem Cells, Grape Skin, Grape Oil, Lemon OIl — GPCs (Biogenic Phosphatidylcholine), Polyphenols, Phytosterogens, Kuanfen, Bioflavonoids, Resveratrol, Vitamin A, B, C, E and H, Caroten (Provitamin A), Biosugars, Polyphenols, Tannins, Mineral Salts, Trace Elements.

**stonecrop toner**

For all skin types, especially for pigmented and sensitive skin

Alcohol free toner that calms and refreshes skin while tightening the pores and brightening the complexion.

Active ingredients: Stonecrop, Aloe — Cnicum Acid, Malic Acid, Malic Acid, Free Amino Acids, Phenol Carboxylic Acids, Vitamin C Bioflavonoids, Peptides, Protocollagen, Enzymes, Lignans, Polyacrylate (Crosslinked), Carotenoids, Chryophyll, Plant Proteins, Mineral Salts, Trace Elements.

**rosehip toner**

For dry, dehydrated, premature skin

Sweet smelling light toner that tightens pores while purifying, refreshing and increasing the elasticity of the skin.

Active ingredients: Rose Petal, Rose Oil — Vitamin C, Quercetin Bioflavonoids, Tannins, Minerals, Trace Elements.

**rose petal toner**

For dry, dehydrated, premature skin

Sweet smelling light toner that tightens pores while purifying, refreshing and increasing the elasticity of the skin.

Active ingredients: Rose Petal, Rose Oil — Vitamin C, Quercetin Bioflavonoids, Tannins, Minerals, Trace Elements.

**sour cherry toner**

For combination, youthful looking skin showing first signs of aging, or devitalized, dull, tired skin

Refreshing and pore tightening toner with high antioxidant, iron and potent vitamin content to fight off damaging free radicals.

Active ingredients: Sour Cherry, Blueberry — Polyphenols, Anigluate, Kaempferol Bioflavanoids, Vitamins A, B, C and E, Anthocyanins, Biosugars, Pectins, Fruit Acids, Tannins, Minerals, Mineral Salts, Trace Elements.

**ultra sensitive system toner**

For all types of sensitivity (acne, rosacea, itching, burning skin, contact dermatitis etc), inflamed, irritated, reddened or allergic skin

Essential oil free toner that refreshes and leaves skin feeling energized. Dermatologist tested on the most sensitive, allergic skin.

Active ingredients: Lavender, Plantago — Vitamins A, C, E, Bioflavonoids, Polyphenols, Cnicum Acid, Fruit Acids, Protective Enzymes, Minerals, Trace Elements.
exfoliators

grape stem cell solutions™ polishing scrub
for premature and mature, normal to dry or loose skin
A gentle exfoliator with highly potent free radical neutralizing grape stem cells for normal to dry skin that removes dead cells and impurities, and reduces the visible signs of aging resulting in more luminous, vibrant, healthier skin.
Active Ingredients: Grape Polyphenols, Grape Stem Cells, Rosehip, Orange Oil, Lemon Oil — OPCs (Oligomeric Proanthocyanidins), Polyphenols, Polyphenolignans, Quercetin, Bioflavonoids, Resveratrol, Vitamins A, B, C, E and K, Caroteines (Provitamin A), Flavonoids, Fruit Acids, Yarrow, Mineral Salts, Trace Elements.

rosehip exfoliator
for all skin types, especially for sensitive, oily, acne, seborrhea, rosacea and teenage skin
Exfoliating and clarifying scrub that gently removes impurities while soothing the skin. Lactic acid looses dead cells and encourages new cell growth while rosehip protects and light herbal oils moisturize.

spinach & horsetail exfoliator
for normal to combination or devitalized skin
Quick and gentle clarifying scrub that gently removes impurities while charging skin with essential vitamins, iron and bioflavonoids.
Active Ingredients: Horsetail, Spinach, Honey, Corn Germ Oil, Peppermint Oil — Vitamins C, E, K and N, Quercetin Bioflavonoids, Chlorophyll, Mineral Salts, Trace Elements.

sulphuric exfoliator
for sensitive, inflamed, dehydrated, wrinkled or mature skin
Soft exfoliating treatment that gently clarifies, hydrates and smoothes the skin.
Active Ingredients: Peppermint Oil, Corn Germ Oil, Honey, Zinc Sulphate, Sulphur — Vitamins B, C and E.

rolling face & body exfoliator
for dry, dehydrated, premature or aging skin
Exfoliating treatment with Hungarian thermal spring water that is high in minerals. Hot paprika rich in antioxidants, trace elements and Vitamin C stimulates and vitalizes the skin.
Active Ingredients: Hungarian Thermal Spring Water, Hungarian Paprika, Corn Meal, Castor Oil, Honey — Caprylates, Vitamin B, C and E.

ultra sensitive system exfoliating mask
for all types of sensitivity (acne, rosacea, itching, burning skin, contact dermatitis etc), inflamed, irritated, reddened or allergic skin
Gentle and essential oil free facial scrub for sensitive and allergic skin that sloughs off dead cells for younger and smoother looking skin.
Active Ingredients: Yarrow, Plantaga, Experimentum — Vitamin A, B, C, D and K, Bioflavonoids, Polyphenols, Resveratrol, OPCs (Oligomeric Proanthocyanidins), Carotenoids, Citric Acid, Fruit Acids, Protective Oxyphenes, Pectins, Yarrow, Mineral Salts, Trace Elements.

masks and special treatments

ichthammol & herbs mask
for oily, inflamed, acne, seborrhea, rosacea skin
With ichthammol (herbal clay) this soothing repair treatment heals and calms acne, balances oil production, reduces inflammation, stimulates and tones the skin.

seven herb mask
for normal, combination and oily, sensitive, acneic, seborrhea skin
This potpourri of herbs nourishes, reduces irritation and balances oil levels while healing and soothing the skin, and helping to prevent blemishes.
Active Ingredients: Alab, Stonecrop, Honey, Zinc Oxide, Blackberry, Horsetail, Plantago, Spores, Corn Germ Oil, Chamaedorea Grass Oil, Zinc Sulphate, Lemon Grass Oil — Sucrose, Vitamins A, D, E, C and E, Bioflavonoids, Citric Acid, Mineral Salts, Trace Elements.

apple & lemon gel mask
for normal to oily skin, especially recommended for skin with acne spots or hyperpigmentation
Vitalizing gel mask with fruit acids that tightens pores, helps reduce acne symptoms and lightens hyperpigmentation.
Active Ingredients: Apple, Lemon, Potato, Lemon Oil — Vitamin A, B, C, D and K, Fruit Acids, Citric acid, Alpha-Hydroxy Acid, Malic Acid, Chlorogenic Acid, Potassium, Bioflavonoids, Polyphenols, Rutin, Polyphenolignan (Soyabolin), Potassium, Citric Acid, Mineral Salts, Trace Elements.

rosehip gel mask
for normal to oily, acne, seborrhea, rosacea, sensitive and teenage skin
Reduce irritation and strengthen problematic, sensitive or teenage skin with this calming and toning mask that also charges the skin with vitamins.

fibrous stonecrop gel mask
for all skin types, especially pigmented skins (photo damage, freckles, scars)
Luscious regenerating and soothing mask that brightens and firms all skin types. A centuries old herbal remedy, stonecrop exhibits healing properties, and reduces pigmentation and sun damage.

tomato A·C·E booster mask
for all skin types of all ages, especially for dull, tired, pale, devitalized and even sensitive skin
Rejuvenating herbal mask that vitalizes and soothes the skin while slows the visible signs of aging with powerful antioxidants for a youthful complexion.
Active Ingredients: Tomato, Zinc Oxide, Ascorbic Acid, Algae, Vitamin E — Lycopenes, Bioflavonoids, Beta-Carotenes (Provitamin A), Vitamins B, C, D and K, Potassium, Copper, Manganese, Mineral Salts, Trace Elements.
masks and special treatments

sour cherry gel mask
for normal to combination premature and mature, or youthful looking skin that is water deficient, tired, pale, and has loss of firmness
Anti-aging oil-free fruit mask full of antioxidants that firms, strengthens, regenerates and hydrates loose and large pored skin.
Active Ingredients: Sour Cherry, Blackcurrant, Honey, Algae -- Polyphenols, Bioflavonoids, Vitamins A, B and C, Anthocyanins, Flavonoids, Pectins, Fruit Acids, Ine, Tannins, Mineral Salts, Trace Elements.

phytolift™ gel mask
for normal to combination premature and mature skin lacking elasticity
Elastizing mask that improves the tone and complexion of hormonally imbalanced, combination or lose skin while slows the visible signs of aging for a youthful combination.
Active Ingredients: Clover, Hop, Naza, Hungarian, Hungarian Paprika, Flavonoid, Algae, Lavender Oil -- Vitamins A, C and E, Bioflavonoids, Phytoestrogens, Capsaicin, Quercetin, Pectins, Mineral Salts, Trace Elements.

quince apple gel mask
for normal to dehydrated premature and mature skin; for puffiness
Revitalizing and firming fruit mask that tightens loose pores and balances the oil level of the skin. Reduces oedema. It can be used to treat puffiness (due to lack of sleep or temporary illness) under the eyes.

grape stem cell solutions™ gel mask
for aging and mature, normal to dry or loose skin
An antioxidant-rich mask made with a high concentration of grape stem cells to dramatically reduce the depth of wrinkles or slow down their development, while protecting the skin. The grape stem cells increase the longevity of the epidermal stem cells, stimulate cell-renewal, increasing the effectiveness of skin rejuvenation and regeneration.
Active Ingredients: Grape, Fig, Capers, Almonds, Sage, Grapeseed Oil, Grape Stem Cells, Grape Skin, Orange Oil, Lemon Oil -- OPCs (Oligomeric Proanthocyanidins), Polyphenols, Phytoestrogens, Quercetin, Bioflavonoids, Himbeeröl, Himbeeröl, Vitamins A, B, C and K, Carotene (Provitamin A), Bioflavonoids, Fruit Acids, Tannins, Mineral Salts, Trace Elements.

hyaluronic time erase complex™ gel mask
for premature, dehydrated or dry, thin skin showing wrinkle lines
Hydrating mask with hyaluronic acid and a unique botanical blend that replenishes moisture and creates younger looking skin.
Active Ingredients: Horsetail, Yucca, Mistletoe, Grapeseed, Algae, Carrot, Almond, Citric Acid, Malic Acid, Pectins, Tannins, Polysaccharides, Mineral Salts, Trace Elements.

apricot mask
for premature, water deficient skin
Nourishing fruit mask that supplies dehydrated skin with vitamins and bioflavonoids.
Active Ingredients: Apricot, Honey, Algae, Calendula (Chamomile), Castor Oil, Corn Germ Oil -- Vitamins A, B, C, and E, Bioflavonoids, Fruits, Fruit Acids, Pectins, Carotene (Provitamin A), Mineral Salts, Trace Elements.

rose petal gel mask
for dehydrated, sensitive, loose and premature skin
Beautifying mask that hydrates, regenerates and improves the elasticity of tired skin.
Active Ingredients: Rose Petals, Honey, Algin, Almond, Rose Oil -- Vitamins A, B, C, and E, Bioflavonoids, Tannins, Algin, Biopolymers, Mineral Salts, Trace Elements.

carotene essentials™ gel mask
for premature, dehydrated, vitamin deficient skin
Deeply hydrating fruit mask that prevents damage caused by dryness and supplies powerful antioxidants such as beta-carotene.

quince apple gel mask
for normal to dehydrated premature and mature skin; for puffiness
Revitalizing and firming fruit mask that tightens loose pores and balances the oil level of the skin. Reduces oedema. It can be used to treat puffiness (due to lack of sleep or temporary illness) under the eyes.

grape stem cell solutions™ gel mask
for aging and mature, normal to dry or loose skin
An antioxidant-rich mask made with a high concentration of grape stem cells to dramatically reduce the depth of wrinkles or slow down their development, while protecting the skin. The grape stem cells increase the longevity of the epidermal stem cells, stimulate cell-renewal, increasing the effectiveness of skin rejuvenation and regeneration.
Active Ingredients: Grape, Fig, Capers, Almonds, Sage, Grapeseed Oil, Grape Stem Cells, Grape Skin, Orange Oil, Lemon Oil -- OPCs (Oligomeric Proanthocyanidins), Polyphenols, Phytoestrogens, Quercetin, Bioflavonoids, Himbeeröl, Himbeeröl, Vitamins A, B, C and K, Carotene (Provitamin A), Bioflavonoids, Fruit Acids, Tannins, Mineral Salts, Trace Elements.

hyaluronic time erase complex™ gel mask
for premature, dehydrated or dry, thin skin showing wrinkle lines
Hydrating mask with hyaluronic acid and a unique botanical blend that replenishes moisture and creates younger looking skin.
Active Ingredients: Horsetail, Yucca, Mistletoe, Grapeseed, Algae, Carrot, Almond, Citric Acid, Malic Acid, Pectins, Tannins, Polysaccharides, Mineral Salts, Trace Elements.

apricot mask
for premature, water deficient skin
Nourishing fruit mask that supplies dehydrated skin with vitamins and bioflavonoids.
Active Ingredients: Apricot, Honey, Algae, Calendula (Chamomile), Castor Oil, Corn Germ Oil -- Vitamins A, B, C, and E, Bioflavonoids, Fruits, Fruit Acids, Pectins, Carotene (Provitamin A), Mineral Salts, Trace Elements.
**serums**

**hyaluronic elixir**

all skin types, especially dehydrated skin

Our small molecular weight hyaluronic acid intensive Hyaluronic Elixir immediately replenishes moisture level and minimizes moisture evaporation while plumps and firms the skin.

**grape stem cell solutions™ serum**

for premature and mature, combination to dry or loose skin

Formulated with a potent concentration of free radical neutralizing grape stem cells that infuse the skin with powerful antioxidants, improve elasticity and vitality, restoring a youthful look with age defying results.

Active Ingredients: Slope Poly, Coppered Oil, Grape Stem Cells, Grape Skin, Orange Oil, Lemon Oil – OPCs (Ellagic Procyanidaguerienes), Polyphenols, Phytoestrogens, Kaempferol, Bioflavonoids, Horsetail, Vitamins A, C, E and K, Carotene (Provitamin A), Biotinope, Fruit Acids, Tannins, Mineral Salts, Trace Elements.

**hyaluronic time erase complex™ serum**

for premature, dehydrated or dry, thin skin showing wrinkle lines

Hydrating serum with hyaluronic acid and a unique botanical blend that replenishes moisture and creates visibly younger looking skin.

**rosehip serum**

for all sensitive skin, including acne, rosacea, devalidated skin

High potency antioxidant liposome gel that reduces irritations and supplies the skin with vitamins and bioflavonoids. Regulates poor or hyperactive blood circulation thus providing a solution for many skin conditions.

**brightening serum**

for highly pigmented, blotchy or sun damaged skin

Concentrated liposome gel uniquely made of herbs with the highest potency to lighten age spots, chloasma, freckles, pregnancy mask or other pigment blotches. The serum also regenerates and fortifies the highly pigmented area.

**wrinkle smoothing serum**

for premature and mature skin with oil deficiency, lack of elasticity and deeper wrinkles

Hydrating and regenerating liposome gel that smooths wrinkles and tones the skin while improving elasticity and strengthening wrinkled and wrinkled areas on the face, neck and décolleté.

**skin power serum**

for all skin types with fine lines on face, neck and décolleté

Anti-aging liposome gel that reduces the appearance of fine lines, while strengthening and toning skin with phytoestrogens.

Active Ingredients: Horsetail, Rose oil, Rose marigold, Orange, Grape Seed Oil, Omega-3 and 6 Fatty Acids, Vitamin A, C and E, Bioflavonoids, Mineral Salts, Trace Elements.

**phytolift™ serum**

for hormonal skin problems, or for premature and mature skin lacking elasticity

Antioxidant rich liposome gel that balances, hydrates and firms the skin to achieve a youthful complexion, and naturally normalizes oil production to reduce hormonal breakouts.

**age defense bioflavonoid serum**

for normal to devalidated, dehydrated premature skin

Nourishing liposome gel that delivers essential nutrients to the cells from bioflavonoid rich fruit- and herbal pulps to protect the skin from the aging process.

**herb infusion serum**

for oily, problematic, inflammation prone

High potency liposome gel that calms and heals inflammation while controlling sebaceous gland activity with organic herbs.

Active Ingredients: Aloe, Neem Seed, Horsetail, Walnut Leaf, Zinc Sulphate, Aloe Oil - Kaempferol, Quercetin Bioflavonoids, Saponins, Biosugars, Plant Protein, Vitamins A and C, Minerals, Trace Elements.

**sulphuric balancing serum**

for all types of acne, oiliness, inflammation

Concentrated gel serum that reduces inflammation, balances oil production and helps with acne symptoms.

Active Ingredients: Lemon Oil, Lemongrass Oil, Peppermint Oil, Sulphur - Vitamins B and C, Carotene, Minerals, Salts, Trace Elements and E, Fatty Acids, Minerals Salts, Trace Elements.

**mattifying serum**

for oily, combination or sensitive, irritated skin prone to shine and inflammation

This all-in-one oil control, skin healing serum is made with absorbent, mattifying minerals in a non-irritating formula, combining a concentrated blend of botanical active ingredients to clear away impurities, reduce redness and irritation while balancing skin’s natural oils, resulting in an immediate and long-lasting matte finish.

oil concentrates

Q10 serum
for aging, water- and oil deficient, irritated, allergic, sensitive skin
Rejuvenating antioxidant oil concentrate that reconditions, nourishes and revitalizes dry, scaly and sensitive skin while compensating for oil deficiency. Leaves a radiant complexion.
Active Ingredients: Evening Primrose Oil, Grapeseed Oil, Marjoram Oil -- Vitamins A, B, C, and H, OPC (Diethylene: Preanthocyanidins), Caroten (Provitamin A), Kaempferol, Biocomponent, Fruit Acids, Biosugars, Mineral Salts, Trace Elements.

yarrow oil
for sensitive, inflamed, rosacea, water- and oil deficient skin
Light oil concentrate that soothes, strengthens and regenerates the skin. It has anti-inflammatory and astringent effects. Leaves a youthful complexion.
Active Ingredients: Yarrow, Corn Germ Oil -- Vitamins C and E, Bioflavonoids, Lignan, Tannin, Chlorophyll.

calendula oil
for premature and mature water- and oil deficient skin; for sun damage
Light oil concentrate and supplement for moisturizers that regenerates the skin with vitamins. Rebuilds the damaged keratin layer, nourishes, heals and calms photo damaged or burnt skin. Smooths fine lines.
Active Ingredients: Calendula, Corn Germ Oil, Orange Oil -- Vitamins A, C, Carotene (Provitamin A), Biocomponent, Mineral Salts, Trace Elements.

moisturizers

apple & lemon whipped moisturizer
for normal to oily skin, especially recommended for skin with acne spots or hyperpigmentation
Refreshing light moisturizer that hydrates without heavy oils while firming loose pored skin, reducing acne symptoms and brightening pigmentation.
Active Ingredients: Apple, Lemon, Calendula, Calendula Oil, Peach Kernel Oil -- Vitamins A, B, C, E, Caroten (Provitamin A), Fruit Acids, Citric Acid, Alpha Hydroxy Acid, Malic Acid, Pectins, Bioflavonoids, Polyphenols, Fructose, Biosugars, Omega-3 Fatty Acids, Mineral Salts, Trace Elements.

rosehip whipped moisturizer
for combination, oily, problematic, acne, seborrhea, sensitive, rosacea and teenage skins
Light texture daily moisturizer full of vitamins that calms and hydrates the skin leaving a matte finish. Contracts blood vessels and regulates sebaceous glands.

apricot whipped moisturizer
for normal to dehydrated premature skin
Revitalizing and hydrating daily moisturizer with pure fruit content that rejuvenates the skin leaving a soft and supple complexion.
Active Ingredients: Apricot, Corn Germ Oil, Camel, Carrot, Capsanthin, Capsorubin -- Vitamins A, B, C, D and E, Bioflavonoids, Fructans, Fruit Acids, Protective Enzymes, Biosugars, Tannins, Caroten, (Provitamin A), Mineral Salts, Trace Elements.

sour cherry whipped moisturizer
for dehydrated or combination, youthful looking skin showing first signs of aging, or devitalized, dull, tired skin
Light moisturizer rich in antioxidants with anti-aging and firming effects that recharges, nourishes and protects the skin by fighting free radicals and supplying essential vitamins, minerals and trace elements. This moisturizer tightens the pores, reduces puffiness and brightens dull skin.
Active Ingredients: Sour Cherry, Blackthorn Berry, Corn Germ Oil -- Vitamins A, B, C and E, Polyphenols, Anthocyanins, Cyanocerin, Biocomponent, Polyphenols, Antioxidants, Biosugars, Fruit Acids, Protective Enzymes, Tannins, Melatonin, Fruit Acids, Mineral Salts, Trace Elements.

ultra sensitive system whipped moisturizer
for all types of sensitivity (acne, rosacea, itching, burning skin, contact dermatitis etc), inflamed, irritated, reddened or allergic skin
Light texture and essential oil free moisturizer for sensitive and allergic skin that protects against the abuse of the elements.
Active Ingredients: Rosy Peony, Rose Oil, Corn Germ Oil -- Vitamin E and C, Butyrospermum Parki, Tannins, Mineral Salts, Trace Elements.

sulphuric whipped moisturizer
for oily, acne, seborrhea, problematic, inflamed, sensitive skin
Healing moisturizer that balances sebum production, relieves irritation and improves the skin condition. It has mattifying effect while keeping skin hydrated and supplying it with minerals.
Active Ingredients: Shea Butter, Corn Germ Oil, Sulfur -- Vitamins C and E, Omega-3 and Omega-6 Fatty Acids, Mineral Salts, Trace Elements.

rose petal whipped moisturizer
for sensitive, dehydrated premature skin lacking elasticity
Deliciously textured, aromatic regenerating moisturizer that refreshes and nourishes the skin and increases elasticity.
Active Ingredients: Rose Petals, Rose Oil, Corn Germ Oil -- Vitamins A and E, Butyrospermum Parki, Tannins, Mineral Salts, Trace Elements.

age defense bioflavonoid moisturizer
for devitalized, dehydrated, tired, stressed premature or mature skin
Nourishing moisturizer that protects premature or mature skin from the aging process while delivering essential nutrients to the cells from bioflavonoid rich fruit- and herbal pulps, and improving the skin’s overall immunity.
Active Ingredients: Coconut Oil, Cantaloupe, Elderberry, Blackcurrant, Citrus, Sesame Oil, Grapeseed Oil, Shea Butter, Algae -- Bioflavonoids, Protective Enzymes, Vitamin A, B, C and E, Caroten (Provitamin A), Omega-3 and 6 Fatty Acids, Tannins, Pycnogenoloides (Caryophyllate), Cytoplasm, Glutamine, Dye, Dye, Mineral Salts, Trace Elements.

stonecrop whipped moisturizer
for normal, combination, dehydrated, sun damaged, pigmented skin
Light texture moisturizer that heals, soothes, hydrates and regenerates the skin while lightening hyperpigmentation. Good for use after sunburn, waxing, chemical peels or even chemotherapy as its bioflavonoids protect the skin against free radicals, and also has antiviral effects.
Active Ingredients: Stonecrop, Yarrow, Corn Germ Oil -- Vitamins C and E, Kaempferol, Biocomponent, Lignan, Tannin, Chlorophyll, Mineral Salts, Trace Elements.
moisturizers

softening thermal moisturizer
for normal to dry, water deficient premature and mature skin, for eczema and psoriasis
Regenerating softening cream that heals deep layer water- and oil deficiency with medicinal Hungarian thermal spring water and herbal oils, providing essential fatty acids, mineral salts and trace elements.
Active Ingredients: Hungarian Thermal Water, Castor Oil, Shea Butter, Corn Germ Oil --- Vitamins A and E, Fatty Acids, Minerals, Trace Elements.

grape stem cell solutions™ moisturizer
for aging, mature, normal to dry or loose skin
Reawaken skin’s youthfulness with this daily hydrating antioxidant moisturizer made from highly potent free radical neutralizing grape stem cells that renew, protect, and regenerate skin cells for visibly younger looking skin.
Active Ingredients: Grape Pulp, Grapeseed Oil, Grape Stem Cells, Grape Skin, Orange Oil, Lemon Oil --- OPCs (Oligomeric Proanthocyanidins), Polyphenols, Phytosterogens, Kaeper, Bioflavonoids, Resveratrol, Vitamins A, B, C, E and K, Carotene (Provitamin A), Biosugars, Fruit Acids, Tannins, Pectins, Mineral Salts, Trace Elements.

hyaluronic time erase complex™ moisturizer
for premature, dehydrated or dry, thin skin showing wrinkle lines
Anti-aging and hydrating moisturizer with hyaluronic acid and a unique botanical blend that replenishes moisture, and creates visibly younger looking skin.
Active Ingredients: Horsehair, Corn Germ Oil, Yucca, Marshmallow, Kaeper, Calendula, Hyaluronic Acid --- Bioflavonoids, Vitamin A, B, C and E, Polyphenols, Phytosterogens, Saponins, Fatty Acids, Silica, Minerals, Trace Elements.

carotene essentials™ moisturizer
for premature, dehydrated, vitamin deficient skin
Antioxidant rich hydrating cream for oil- and water deficient or sensitive skin that improves skin tone for a glowy complexion.
Active Ingredients: Calendula, Safflower, Corn, Apple, Carrot, Calendula, Castor Oil, Grapeseed Oil, Shea Butter --- Calendula (Provitamin A), Vitamins A, B, C, E and K, Bioflavonoids, Fatty Acids, Citric Acid, Malic Acid, Pectins, Tannins, Polysaccharides, Minerals, Trace Elements.

phytolift™ moisturizer
for premature and mature skin with deep layer water- and oil deficiency and lack of elasticity
Elastizing moisturizer that treats loose skin due to menopause, monthly fluctuations or stress. It also firms aging skin and lifts facial contours to regain a youthful appearance.
Active Ingredients: Hap, Red Clover, Yucca, Castor Oil, Grapefruit, Calendula, Flavored Oil, Shea Butter, Lavender Oil --- Phytosterogens, OPCs (Oligomeric Proanthocyanidins), Pectins, Vitamin A, B, C and E, Bioflavonoids, Fatty Acids, Biosugars, Saponins, Mineral Salts, Trace Elements.

AHA moisturizer with fruit of medlar
for fatigued, wrinkled premature and mature skin
Antioxidant day or night cream with glycolic acid that strengthens and rejuvenates the skin while gently exfoliating and reducing fine lines and signs of aging.
Active Ingredients: Medlar (Rosaberry), Grape, Apple, Castor Oil, Corn Germ Oil, Shea Butter, Lactic Acid, Lemon Oil --- Bioflavonoids, Vitamins A, B, C and K, Tannins, Fructose, Glycolic Acid, Fruit Acids, Omega-3 and 6 Fatty Acids, Pectins, Minerals, Trace Elements.

carotene essentials™ rich moisturizer
for mature, dry, vitamin deficient skin
Nourishing day or night cream that hydrates and slows the signs of aging of dry or sensitive skin while improving the skin tone and facial contours.
Active Ingredients: Calendula, Safflower, Corn, Apple, Carrot, Calendula, Castor Oil, Grapeseed Oil, Shea Butter --- Calendula (Provitamin A), Vitamin A, B, C, E and K, Bioflavonoids, Fatty Acids, Citric Acid, Malic Acid, Pectins, Tannins, Polysaccharides, Minerals, Trace Elements.

linden & marigold rich moisturizer
for dry, dehydrated, sensitive, loose, oil deficient and mature skin
Rich treatment or night cream that supplies the skin with vitamins while regenerating, hydrating and improving elasticity.
Active Ingredients: Linden Blossom, Marigold (Calendula), Corn Germ Oil, Castor Oil, Shea Butter --- Vitamins A, B, C and E, Carotene (Provitamin A), Fatty Acids, Biosugars, Staff Acids, Glycerin, Tannins, Alcohol, Minerals, Trace Elements.

grape stem cell solutions™ rich moisturizer
for mature, dehydrated to dry or loose skin
A rich, deeply hydrating antioxidant moisturizer with highly potent free radical neutralizing grape stem cells that encourages the regeneration of epidermal skin cells, and protects the skin from damage to help maintain healthy, youthful looking skin.
Active Ingredients: Grapeseed Oil, Corn Germ Oil, Cucumber Oil, Grape Pulp, Shea Butter, Grape Stem Cells, Grape Skin, Orange Oil, Lemon Oil --- OPCs (Oligomeric Proanthocyanidins), Polyphenols, Phytosterogens, Kaeper, Bioflavonoids, Resveratrol, Vitamins A, B, C, E and K, Carotene (Provitamin A), Fatty Acids, Biosugars, Staff Acids, Tannins, Polysaccharides, Minerals, Trace Elements.

brightening moisturizer for face, hands and body
for all skin types except inflamed acne if used on face; for face, hands, décolleté and body
Skin lightening moisturizer for uneven skin tones made of potent herbs that help to reduce the signs of sun damage, hormonally caused or post-inflammatory hyperpigmentation.
Active Ingredients: Stрончиче, Cucumber, Blackberry, Sesame Seed Oil, Castor Oil, Lactic Acid, Castor Seed, Orange Oil, Lennangrass Oil --- Citric Acid, Malic Acid, Mandelic Acid, Free amino Acids, Plural Carbons Acids, Lactose, Witherana, Vitamin A and C, Bioflavonoids, Pectins, Chlorophyl, Plant Proteins, Omega-3 and 6 Fatty Acids, Minerals, Trace Elements.

AHA Night Cream
for all premature, mature or dehydrated, dry skin with wrinkles or fine lines
Anti-aging night cream with nourishing botanicals, herbal oils, and natural alpha-hydroxy acids that slowly dissolves dead skin cells, and helps smoothing fine lines and wrinkles. It also provides powerful antioxidants and vitamins, and enhances collagen synthesis that is essential for firm skin and healthy complexion.
**eye care**

**hyaluronic time erase complex™ eye cream**

for premature, dehydrated or dry, thin skin showing wrinkle lines

Anti-aging eye cream with hyaluronic acid and a unique botanical blend to reduce the appearance of wrinkles and create visibly younger looking eye area.

**phytolift™ eye contour cream**

for premature, mature, dehydrated, loose skin around the eye area

Rejuvenating, lifting eye cream that stimulates collagen production for a youthful complexion.

Active Ingredients: Castor Oil, Fenugreek, Grapeseed Oil, Corn Germ Oil, Flaxseed Oil, Shea Butter, Lavender Oil, Rosemary Oil – Bioflavonoids, Essential Fatty Acids, Phytoestrogens, OPCs (Oligomeric Proanthocyanidins), Vitamin A, B, C and E, Saponins, Tannins, Pectins, Non-starch Polysaccharides, Copper, Iron, Mineral Salts, Trace Elements.

**st. john’s wort eye contour cream**

for all skin types around the eyes, especially for mature and premature skin with wrinkle lines

Firming, nourishing and moisturizing eye contour cream with organic herbs and antioxidants that helps to reduce the appearance of fine lines and deep wrinkles by improving elasticity.

**age defense bioflavonoid eye cream**

for stressed, tired, pale or devitalized, even sensitive skin

Antioxidant boosting and vitalizing eye contour cream that improves skin tone, stimulates collagen production and elasticity while scavenging free radicals and increasing blood and oxygen flow.

**fenugreek gel for wrinkles**

for wrinkles, puffy or tired eyes

Light texture hydrofirming gel that treats deep layer wrinkles as well as fine lines while increasing elasticity with its phytoestrogen content.

**lip care & specialties**

**lip balm – lemon citrus**

for all skin types, especially for dry and chapped lips

Deeply hydrating and regenerating balms with Shea Butter, Beeswax and herbal oils that soften even the most chapped skin. Grapeseed fights the aging process. Lemon Citrus refreshes, Cool Mint calms and Spicy Cinnamon stimulates the lips.

**herbal clay spot treatment**

for spots of oily, problematic, acne or pigmented skin

Healing spot treatment and concealer that soothes inflammation while conveniently hiding spots. Has a tightening and drying effect.

Active Ingredients: Ichthammol, Clove Oil, Zinc Oxide.

**phytolift™ neck & décolleté cream**

for premature, mature/aging, dehydrated or loose skin of the neck and décolleté area

Rejuvenating cream that stimulates collagen production, firms and hydrates while slowing the visible signs of aging for a youthful appearance.

Active Ingredients: Flaxseed, Corn germ Oil, Grapeseed Oil, Calendula, Castor Oil, Hops, Red Clover, Yucca, Flaxseed Oil, Shea Butter, Lavender Oil – Phytoestrogens, OPCs (Oligomeric Proanthocyanidins), Pectins, Vitamins A, B, C and E, Bioflavonoids, Fatty Acids, Carotenoids, Saponins, Superoxides, Mineral Salts, Trace Elements.

**ilike for men products**

**black exfoliating wash**

for men’s generally oilier, thicker and more sensitive face, neck, back and chest areas prone to irritation and inflammation; for daily cleansing and shaving as needed

Highly concentrated anti-inflammatory daily cleanser that reduces irritation and controls oiliness while helping to gently exfoliate the skin to remove impurities and excess build-up. Recommended for use as a daily cleanser, before shaving to soften stubble and even as a replacement for shaving gel or cream.

Active Ingredients: Ichthammol, Lavender Oil, Flaxseed Oil – Lignans, Omega-3 and Omega-6 Fatty Acids, Sterols, Vitamin E, Mineral Salts, Trace Elements.

**stonecrop daily moisturizer**

for men’s dehydrated, sensitive, oily/combo skin that is prone to inflammation and irritations

Quickly absorbing, easy to use daily moisturizer that hydrates, regenerates and soothes men’s skin, and lightens pigmentation while leaving a smooth, matte finish.

Active Ingredients: Stonecrop, Yarrow, Corn Germ Oil – Lignins C and E, Kampplein, Bioflavonoids, Farnic Acid, Citric Acids, Malic Acid, Malonalic Acid, Free-Kaonic Acids, Phoenothere Acids, Pectins, Farnic, Lignans, Cholesterol, Mineral Salts, Trace Elements.
body lotions

grape stem cell solutions™ body lotion
for all premature or stressed body skin
Skin softening antioxidant lotion using powerful free radical neutralizing grape stem cells to renew skin at the cellular level. This intensely hydrating, antioxidant formula was created to reduce the signs of aging, stimulate collagen production and revive the skin for an all-over healthy glow.

hyaluronic time erase complex™ body lotion
for all skin types, especially premature, dehydrated or thin skin showing signs of aging
Anti-aging and hydrating body lotion with hyaluronic acid and a unique botanical blend to replenish the moisture barrier and create visibly younger looking skin.

carotene essentials™ body lotion
for all skin types, especially vitamin deficient, dehydrated, dry skin, or as a pre- or post-sun treatment
Delicious hydrating body lotion that nourishes and softens all skin types resulting in a radiant finish.

stonecrop body lotion
for all skin types, especially for pigmented, sun damaged, irritated skin
Pigment lightening and skin softening moisturizing lotion to hydrate and heal fatigued, sun damaged or freckled skin.

Active Ingredients: Stonecrop, Aloe, Licorice Oil, Borage Seed Oil, Calendula Marigold – Bioflavonoids, Vitamins A, B, C, E and K, Cholic Acid, Malic Acid, Malonic Acid, Free Amino Acids, Phloroglucinol, Pectin, Tannin, Trace Elements.

circulation revitalizing body lotion
for poor circulation areas, cellulite, stretch marks, tired and sluggish skin; for localized areas after pregnancy or before workout
Stimulating body milk that firms and reduces the appearance of cellulite, revitalizes and detoxifies tissues, and increases elasticity of localized body skin areas while increasing blood circulation. Helps to prevent and eliminate the red (new) stretch marks.

Active Ingredients: Hungarian Paprika, Carrot, Corn Germ Oil, Shea Butter, Orange Oil, Cinnamon Oil – Carotenoids, Lycopene, Vitamins B, C and E, Carotene (Provitamin A), Bioflavonoids, Cinnamion, Tannin, Mineral Salts, Trace Elements.

rose petal body lotion
for all skin types, especially loose, dehydrated, dry and aging skin
Aromatic body lotion that hydrates and firms the skin with organic herbal oils and nourishes with softening minerals of Red Rose Petals and Shea Butter.

Active Ingredients: Rose Petals, Rose Oil, Corn Germ Oil, Shea Butter, Beet – Vitamins A, C and E, Quercetin Bioflavonoids, Fatty Acids, Tannin, Mineral Salts, Trace Elements.

tomato face & body moisturizer for exposed skin
for all skin types except inflamed acne when used on the face; body: arms, hands, neck, décolleté, legs – all areas exposed to the sun/UV light
Before and after sun moisturizer that promotes natural tan and enhances a healthy complexion while supplying antioxidants to fight free radical damage (aging), and protecting skin by boosting its natural UV protection capacity.

Active Ingredients: Tomato, Carrot, Aloe, Horse-Chestnut Seed, Calendula Marigold, Corn Germ Oil, Vegetable Oil, Shea Butter, Lavender Oil – Lycopene, Bioflavonoids, Carotenoids, Essential Fatty Acids, Oxeracids, Vitamins A, B, C, D and E, Triterpene Glycosides, Copper, Manganese, Mineral Salts, Trace Elements.

body oils

firming grapeseed body oil
for daily body hydration or massage of all skin especially dry or aging, loose skin; it can be used during pregnancy to help avoid stretch marks
Hydrating and softening body oil that firms and rejuvenates the skin with vitamins and powerful antioxidants.

Active Ingredients: Expomar Oil, Mandarin Oil, Jasmine Oil – OPCs (Oligomeric Proanthocyanidins), Polyphenols, Kamppferol, Bioflavonoids, Vitamins A, B, C, E, F and K, Carotenoids, Pogonacia, Tannin, Mineral Salts, Trace Elements.

soothing herbs body oil
for daily body hydration or massage of all skin especially sensitive, irritated skin or after waxing; it can be used during pregnancy to help avoid stretch marks
Hydrating and cooling body oil that calms sensitive skin with soothing herbs, and decreases inflammation while strengthening and vitalizing the skin.

Active Ingredients: Corn Germ Oil, Yarrow Oil, Evening Princecress Oil, Calendula Oil, Rosehip Seed Oil, Pomegranate Oil, Lavender Oil, Fennel Oil, Carrot Oil – Vitamins A, C, D, E and K, Carotene (Provitamin A), Carotenoids, Bioflavonoids, Lignins, Camim, Citruspol, Minerals, Trace Elements.
We hope you have enjoyed learning more about ilike organic skin care from Szép Élet and our approach to healthy and beautiful skin. If you would like to know how best to care for your skin, ask your aesthetician. After a thorough diagnosis, your skin care expert will select the ideal ilike products for you from our broad range.

ilestone of ilike skin care:

- certified with all organic and natural ingredients, no GMOs
- sustainable harvesting and manufacturing
- no parabens or other synthetic and harmful ingredients
- harvested by hand to ensure delicate plant structures not damaged
- gluten free, nut free, vegetarian and vegan products
- no animal testing
- fruits, vegetables and herbs converted into pulps – not extracts! – to retain the full concentration and power of the herbs
- cold processed to maintain the effectiveness of the herbal ingredients
- the original organic skin care line made in Hungary for 60 years by “Aunt Ilike”, the internationally recognized and award winning herbalist and master aesthetician
- 100+ products for face and body available in spas and salons across 45 countries
- ISO 9001 quality control certification, good manufacturing practice

Experience the difference between real pulps and extracts... and let your skin decide!
